### **Old Business**

Glenwood: Doug Eulberg needs to volunteers to lead or follow as sweep cars. See Doug or Al Wulf.

### **Swap Shop**

Beccy Macintyre: Beth Viera has a Fiat 850 Spider for sale.

Al Wulf has decided he is going to hoard all his parts so no rear axles, dashboards or rostyle wheels available this month.

Alan Magnusson: 1936 MG TA, primrose restored at Sports car Craftsman for sale in Hemmings motor news. Very original car.

**Phinque and Shaft Awards.** We have awards!

But we don't have many stories!

Ted needed some repair on the Left Rear tire of his '73 MGB. He took them to Costco where they made the repairs to the tire. The manager then came out and said that they really shouldn't have done it because the tires were 16 years old!

Steve was getting ready to rebuild an engine and managed to throw out his back loading it into the car.

With the RMVR spring race coming up and people driving really old cars to Glenwood we will undoubtedly have more stories for next month.

And speaking of Glenwood Cathy Gunderson knows someone looking to Navigate.

**Meeting adjourned at 7:34**
